

# Mapuan Typing Mania CPE003L Final Project

# Concept

A game where you type type type! You are thrust into a world of typing.

Prepare your hands, ready your wrists, and stretch those fingers!

A game with the simple mechanic of typing with your keyboard. Attempt to type in the correct keys, symbols, and words to defeat your enemies and get at the end of your typing adventure. Failure to type and you will experience punishment and near game over.

# Gameplay

Words drop from above. Each typed word will result in damage to your opponent and failure to type these words will end in damaging yourself. Empty your opponents health bar before yours does and win. Each stage more difficult than the last, reach the ending to win the Mapuan Typing Mania!
